

London

**GLUTEN FREE PASTA**  
**MAXIMUM TASTE, ZERO WHEAT**

## OUR MISSION

*is to offer a wide range and high quality gluten-free products ... to make gluten-free life more enjoyable!*

*The Gluten-free range of pasta is produced with 100% italian raw materials naturally free from gluten, without additives, with fresh water from the Dolomiti Alps and accordingly to the most traditional pasta-making procedures, following specific process conditions such as low temperatures drying for a long time, to preserve the organoleptic and natural properties on the finished product.*

## THE PRODUCTION

*is a Company authorized by the Italian Ministry of Health for the production of:*

# Gluten-Free and Baby Foods

*with  
Offices and Production site in Italy  
R&D Laboratory in Italy*

retail pack

## OUR STRENGTH

- *Our plant has been designed to ensure top quality products, high food safety standards, process and packing flexibility;*
- *We are located in a truly natural and uncontaminated environment, where there is a unique microclimate and a fresh and pure water from the mountains;*
- *The continuous research and development of new ingredients and new process technologies;*
- *A state of the arts facility;*
- *The low temperatures drying process to enhance the pasta quality and to preserve its organoleptic and nutritional characteristics.*

## PACKAGING

*we offers wide range of packaging solutions: from the classic Cellophane packaging, to the **carton boxes** or **carton tray** for the tagliatelle pasta, with different weights, starting from 100grams single-portion, up to **250g, 500g and 1 kg** packages.*
