Organic Parmigiano Reggiano

Seasoned 24 & 60 months

100% italian product

Our **rare 60 months biological Parmigiano Reggiano** develops the ideal balance between man and nature. Our cows pasture freely. Their nutrition is based on a natural **GMO-free** food and they are treated with a homeopathic criteria. Our farms, with their organic soils are cultivated supporting a natural code, **without chemical products**. This astonishing product emphasizes the quality of the best Parmigiano Reggiano and thanks to the long seasoning in our warehouse it obtains an **unique taste and aroma that makes it extraordinary in the world of food**.

The **22/24 months organic Parmigiano Reggiano** that we offer has all the best qualities of the Parmigiano Reggiano, its **fragrance is exquisite and its flavour has a light aftertaste of raw milk**.
